CHRISTIAN FELLOWSHIP

Business Directory
Fall 2009

This Business Directory is compiled as a RESOURCE TOOL for our fellowship. We encourage you to consider these people when you need services they provide, and we also encourage you to do your own "due diligence" in making the choice of your service provider.

All the people included in it are currently attending Impact. We do not know all the individual quality of workmanship, experience, etc., so this Business Directory should be considered as an INFORMATIONAL LISTING, not an endorsement.
